Hi Pamela -

For me, the best times today would be either around 10; around 1; or around 2:30. I'm working on the assumption that the briefing will be fairly short (15-30 min).

We have an 8:30 check-in on Dimock - I'm going to see if the head of our preparedness and response office would be available for the call. Please feel free to give me a call so we can coordinate.

Thanks!
Jennie

I will work with Jennie to get something scheduled. I'm fairly certain staff will want to do something tomorrow (Monday).

Great. Thanks. Pamela, can you coordinate with Jennie on this and reach out to Inhofe?

A

That is fine. I just wanted to make sure we could give them a complete picture of what we were planning to do before we met. We can do that now.

Thanks

Hi all,

I've tried to push this off for as long as possible, but I think we're going to need to do a briefing for Inhofe's EPW committee staff early next week. Can you let me know if this is exceedingly problematic?

thanks.
